Dear JYOTISKA SAHA,   May 31,2024

Congratulations on the opportunity to join Meta Scifor Technologies for our **Data Science Training and Internship Program**.

Program Overview:
Duration: 3 month's Training + 3 month's Internship
Domain: Data Science Intern
Certificates: Training Certificate upon completion of the Training; Company Experience Certificate after the Internship.

Training Details:
You'll learn essential skills and tools necessary for the job role, aiming to equip you for future positions at our company. We seek committed candidates dedicated to successfully completing the program.

Internship Project Engagement and Stipend Opportunities:
Based on your performance, if you are assigned to contribute to an ongoing client project, you will receive a stipend of up to 12,000 Rs. Otherwise, you will be working on mid-size projects and maintenance tasks, in which case you won't receive a stipend but will gain real-time experience.

Post-Internship Opportunity:
Upon completion of the internship and meeting our criteria through daily assessments, eligible individuals may be considered for the **Junior Data Scientist** role. Those selected will receive a competitive salary ranging from **18,000 to 22,000 INR**, with a **10% increase every 6 months**.

For any queries or additional information, feel free to contact us or visit our website: **www.scifortechnologies.com.**

We eagerly await your positive response.

Best regards,
HR Manager
